One Stop Solution
For Your Technical
Industrial Services

WHAT WE OFFER?

MECHANICAL

Gear Box Gear Motor (Transmission)	Induction/Electric Motor Pump + Motor Motor Agitator
Helical, Bevel, Cycloidal, Worm NMRV, Planetary Gear	Centrifugal, Submersible, Multistage, Booster Pump

ELECTRICAL AUTOMATION

Solenoid Valve Yuken Soft Starter	Inverter, PLC, Servo Drive & Motor, HMI Touch Screen Pulse Meter, Sensor. Pulse Meter, Sensor.
--------------------------------------	---

Aluminium & Special Steel

Special Plastic Molding Steel

S45C
S50C
SCCC
SS400
P20 / 2311
738 / 2738 P20+Ni
718H
2083H
E.Q NAK 80
S136H SR / ESR 420
xMP

Materials that can be used for injection molding, automotive, masspro, etc. needs, which have high heat resistance, which have their own hardness standards so that most do not require further heating processes, have an even level of hardness so that they are suitable for custom processes with better results.

Hardware specialty stamping steel

SKD11
E.Q DC53
SKH-9
SKH-9
SKH-51
SK-3
2510

Materials used for heavy equipment, automotive and other industries, go through a further heating process to produce the maximum level of hardness for each type.

Cor - Die Casting / Stamp

SKD61
2344
8407

Materials that can be used for die casting, stamping, knife blades, etc., have a very dense hardness level.

Aluminium Cor - Die Casting / Stamp

Alluminium 6061
Alluminium 7075

Materials used for automotive, automation machines, F&B, shoe model manufacturing factories, toy factories, etc.

Pump Products

Induction Electric AC/DC Motor , & Gear

Gear Only

Gear Head

Gear Motor

Induction Motor

Motor GearHead

Gear Box & Gear Motor (Transmission)

Blower

Hoist Crane:

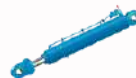

Electrical & Automation System

GENSET

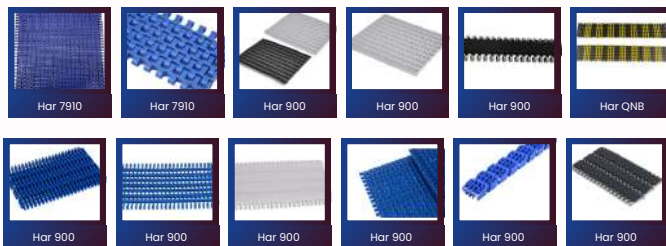

HYDRAULIC

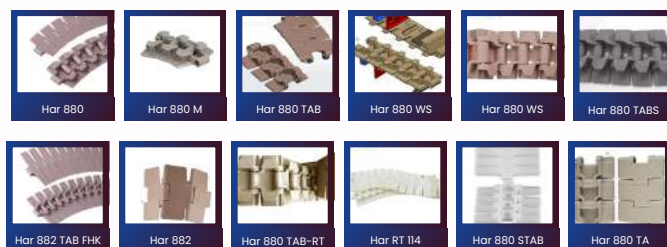

CONVEYOR & MATERIAL HANDLING SYSTEM

PLASTIC MODULAR BELTS

PLASTIC SLAT TOP CHAIN

MULTIFLEX CONVEYOR CHAINS

PT. Eon Industry Engineering Indonesia. has been trusted since to meet the needs of spare parts. Together with sister company PT. Arena Reka Nara, we are dedicated to the industry of various companies and manufacturers. We are dedicated to supplying the best quality products throughout Indonesia. Consistency, commitment, and customer satisfaction are the main values that we hold as a distribution partner for all companies and manufacturers.

Our Group Company's Customers :

And Many More
